TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted within the time period set forth in the final Office action.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a Quayle action.

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a Quayle action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Attachment to Notice of Non-Compliant Amendment:

Applicants have submitted with the present amendment, an old version of the claims as of the RCE of 6/18/03. Since applicants had amended claim 58 since then on 10/6/03, which was entered and issued a final action on 11/14/03, the current status of claim 58 should be that of the amendment of 10/6/03.

If applicants intent to enter the un-entered after-final amendment of 12/18/03 as requested in the RCE of 2/17/04, applicants must submit a corrected (for formalities) version of the claims accordingly. If the applicants had intended to submit the presently submitted version, then they must submit claim 58 as "currently amended" and show the deleted words crossed out from the previous version.

A copy of claim 58 as of record (entered) on 10/6/03 is attached for applicants' convenience.
